Dear Commissioner:

Applicants respectfully request a Certificate of Correction pursuant to 35 U.S.C. 254 for the above-identified patent. In Claim 1, line 8, the text reads "media file from being slaved within a defined period of...", it should read "media file from being played within a defined period of...", as written in the Examiners Amendment in the Notice of Allowance dated November 16, 2009.

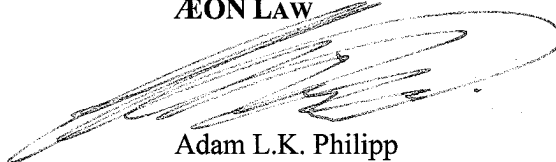

In Claim 14, line 11, the text reads "that would preclude a media file from being slaved...", it should read "that would preclude a media file from being played...", as written in the Examiners Amendment in the Notice of Allowance dated November 16, 2009.

Applicants believe the above listed errors were the responsibility of the Office and therefore a Certificate of Correction is warranted without payment of a fee.

We believe no fees accompany this transmission. If, however, insufficient fee payment occurs, the amount may be withdrawn from ÆON Law's deposit account. The deposit account number is 50-4051.
